

Supreme Facility Onboarded by Tata Technologies for IFM Services

Pune, June 03, 2025: – **Supreme Facility Management Limited (NSE – SFML)**, one of the leading players in the facility management sector, has been selected and onboarded by Tata Technologies Limited (TTL) for a prestigious housekeeping services engagement.

The engagement is scheduled to commence on July, 2025, and marks another significant milestone for Supreme Facility Management, highlighting the company's consistent performance and capability in delivering high-quality integrated facility management (IFM) solutions. The agreement is expected to generate potential monthly revenue of approximately ₹30 lakh per month.

This win was the result of a collaborative effort between the Supreme team and TTL, involving extensive evaluations and discussions. Supreme Facility's track record in deploying modern, efficient, and tech-enabled service models played a key role in securing this engagement.

The scope of work includes end-to-end housekeeping services aimed at elevating the efficiency, hygiene, and ambiance of TTL's premises. This engagement is aligned with TTL's commitment to world-class infrastructure standards and will include next-generation features and practices that foster a more productive and welcoming work environment.

Commenting on the Performance Amol Shingate, CEO of Supreme Facility Management Limited, said, "We are proud to partner with a forward-looking organization like Tata Technologies. This engagement is a testament to our expertise in delivering consistent, scalable, and technology-driven IFM services. It further consolidates our presence in the industrial and corporate segments. We look forward to contributing to TTL's vision by ensuring excellence in cleanliness, operational efficiency, and employee experience across its facilities.

As we move forward, our focus will remain on executing a smooth transition, mobilizing skilled resources, and aligning our delivery model with TTL's high standards. We are excited about the journey ahead and confident that this partnership will set new benchmarks in service quality, customer satisfaction, and long-term value creation."
